#### Listing Comments Why the comparable listing is superior or inferior to the subject.

**Listing 1** superior due to age and cleanliness of property, but inferior due to no garage, only carport. Both are similar in style and size of lot

**Listing 2** superior due to age and cleanliness of property, but inferior due to square footage and lack of at least a half bath like subject property

**Listing 3** superior due to age, more square footage, and 2 full baths. But on a smaller parcel. But feel this is the closest to subject due to 2 car garage and style of home

### Recent Sales - Cont.

**Reasons for Adjustments** Why the comparable sale is superior or inferior to the subject.

- Sold 1** This home and subject are very close to one another in all aspects, except this home has less square feet, which is the adjustment made. Both similar in age, style, garage, number of bedrooms and bathrooms.
- Sold 2** This home is also very close to subject property but is 7 years older and only a 1 car garage, which is what the adjustment is for. Very similar in all other aspects.
