<b>Comments Regarding Pricing Strategy</b>		
<p>Provided comps were the best comps available at time of inspection. Due to a shortage of inventory, limited comps were available at time of inspection. Limited 90 day sold comps were available at time of inspection. Expansion of style, sale date, condition, square footage, lot size, distance and year built was absolutely necessary due to limited comps being made available. Provided comps were the best comps available at time of inspection. Values have been increasing at a rate where the subject value should be considered and influenced based on the list comps. The actual value conclusion presented herein reflects a 90-day value conclusion. The current subject value is based on sales and listings available at this time.</p>
