| Comments Regarding Pricing S | trategy | | | | |

Since subject requires no repair, listing it as-is will save the pre-marketing time and limit total amount of capital invested. There's a shortage of comparables with similar living space within immediate area so expansion of search distance, sold date, age, and/or value variance is necessary.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect **Notes** the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
