Comments Regarding Pricing S	itrategy			

The subject is valued in line with comparable properties in the area. The comp search included properties within 1 mile of the subject, 10 years of its age and within 20% of its GLA. It was necessary to exceed the GLA guideline to locate 6 comps. It wasn't possible to only include comps that sold in the last 3 months. All house styles compete with the subject. The 30 and 90-120 day values are the same, because houses in this area are averaging less than 30 dom.
