Comments Regarding Pricing Strategy		
<p>Subject appears to be in Average condition with no signs of deferred maintenance visible from exterior inspection. The subject should be sold in as- is condition. The market conditions is currently stable. Due to Suburban density and the lack of more suitable comparisons, it was necessary to exceed over 0.50 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size, age, style and some recommended guidelines when choosing comparable properties.</p>
