Comments Regarding Pricing Strategy				

Search radius was roughly one mile for Sold Comps. Asking prices in this area are quite erratic. However, Currently there is an upward value pressure from similar listings. Sold adjusted values are fairly consistent. Final value is weighed most heavily on Sold Comp 1 as it is proximate, appears to be most similar and is a recent sale. Due to the lack of similar sold comps, I had to use sold comps that were more than 3 months old.

Addendum: Report Purpose

Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: Fair Market Price. (See definition below.) The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price A price at which the property would sell between a willing buyer and a willing seller neither being

compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price A price at which the property would sell between a willing buyer and a seller acting under duress.

The amount of time the property is exposed to a pool of prospective buyers before going into contract. Marketing Time

The customer either specifies the number of days, requests a marketing time that is typical to the

subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market The estimated time required to adequately expose the subject property to the market resulting in a

contract of sale.
