<b>Comments Regarding Pricing Strategy</b>		
<p>S2 and A1 were given more weight as they both share the most similar characteristics as the subject. The home was priced mid-market as there are no extraordinary characteristics that would value the subject low or high. The market appears stable as there is roughly an equal number of homes that have been bought and sold over the past 12 months. Current list prices remain in line with sale prices, and REO/short sale inventory has decreased.</p>
