Comments Regarding Pricing Strategy		
I went back 3 months, out in distance .5 miles, and even with relaxing the search criteria I was unable to find adequate comps which fit the requirements. Within 1 mile and back 6 months I found adequate comps of which I could use. The ones used are the best possible currently available comps within 1 mile and the adjustments are sufficient for this area to account for the differences in the subject and comps.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect
