General Conditions

Owner	ADELE M EWING	Condition Comments	
R. E. Taxes	\$1,109	5340 Colton Dr is a one story, framed, ranch style, sfr. The subject is similar in style and conforms to some other homes in the neighborhood. The subject's view is of similar homes and is in a urban subdivision. This is a similar view as other homes in the area. The area around the carport/ patio on the side of the home had been discolored. I am not sure if this was black paint or possible fire damage. As I did not see this discoloration anywhere else, I placed the home in average condition and applied a small cost for painting.

Comments Regarding Pricing Strategy		
<p>I used the attached tax records for the subject's characteristics. In order to find similar comps I searched the MLS and tax records. I started with a .35 mile radius in the same zip code. I used a gla range of 653-979 sq. ft. (20%) I used an age range of 57-107 years (30%) I looked at all one story homes that have sold in the last 6 months. The search produced 7 sales that ranged from 40,000- 90,000. I used 3 non updated homes in the same subdivision as the subject. **Proximity and condition were a high priority in comp selection** I used the same search to look for similar active listings. I found 3 listings in a .5 mile radius that ranged from 86,900-99,000. These were all renovated list comps. I had to relax the criteria to have list comps in average/ non updated condition. Value is a fair market value. Value is based on the subject being in C4/ average/ non updated condition. **There is a higher tier of values for renovated homes in the area.** I relied heavily on sold comp 3 for value. This home was on the same street and has a similar tax rate. The subject has a tax rate of \$1,109 annually. Sold comp 3 has an annual tax rate of \$1,200.</p>
