#### **Comments Regarding Pricing Strategy**

Value is heavily weighted on sold comps as these are an accurate picture of the current market trends. Sold comp 1 is in close proximity to the subject and similar in all characteristics. This comp is a good indicator of value. All comps are within 1 mile of the subject. The search was expanded to 1 mile and back 12 months and the comps used are the best comps available. There is a shortage of homes available and this is causing bidding wars and causing sold comps to sell above asking price. All comps are in direct competition with the subject. Adjustments are made to bring the comp in line with the subject. Adjustments are 25.00 per foot of gla, .50 per foot of lot size, 2500 per baths, and 3000 for spa. All comps are fair market sales.
