Comments Regarding Pricing Strategy		
Comps are based on similarities of the subject in age, condition, GLA, and lot size. Comps are pulled within a 2 mile radius of the subject. Sold comps go back 12 months. Had to extend the radius and go back 12 months on sold comps because of a shortage of listing comps.. Extending the radius has no impact on value. These are the best comps that are similar to the subject No adjustments were needed. All comps are really similar to the subject.
