Comments Regarding Pricing Strategy

Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Commercial presence for the subject would not affect the subject's condition or marketability. List 1 Comp were weighted the most and similar in bedrooms and close proximity. Sold comparable 2 was weighted the heaviest due to GLA. Subject appears to be currently occupied verified from the tax record. The subject should be sold in as-is condition. The market conditions is currently Stable.
