Comments Regarding Pricing Strategy		
<p>Subject sold under market in comparison to properties within the area. There were no newer sales to replace S1. Provided comps were the best comps available at time of inspection. Limited 90 day sold comps were available at time of inspection. Expansion of style, sale date, condition, square footage, lot size, distance and year built was absolutely necessary due to limited comps being made available. Values have been increasing at a rate where the subject value should be considered and influenced based on the list comps. The actual value conclusion presented herein reflects a 90-day value conclusion. The current subject value is based on sales and listings available at this time.</p>		

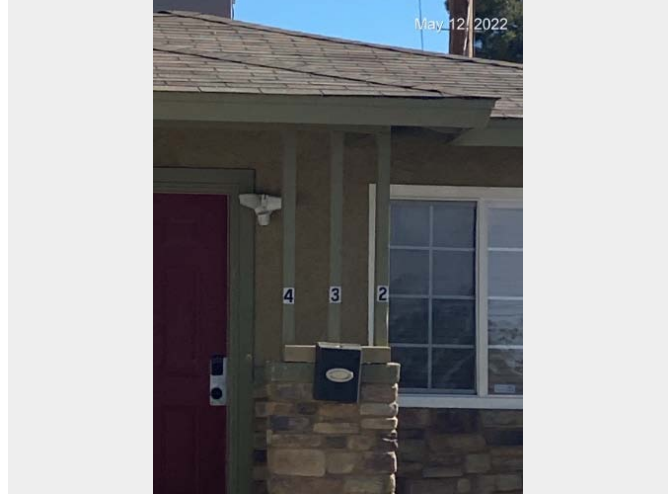

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect
Notes the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
