Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions are currently stable. List 1 Comp were weighted the most and similar in bedrooms, bathroom and value. Sold comparable 2 was weighted the heaviest due to similar in value , location & view. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the Commercial would not affect subject's marketability and both sides of the Commercial are similar market areas.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
