#### **Comments Regarding Pricing Strategy**

The MLS was searched for comparable with the following criteria:: GLA range of 1011 to 1733 square feet, within 1 miles radius, 1933 to 1983 year built range, and 12 months' sale time for sold comps. Since the subject appeared to be in average exterior condition, recently upgraded comparable were not considered. comparable that were in average condition were chosen. The comparable that were closest in size, age, style, location and room count were chosen for this report. Due to limited comparable, need to exceed the closed date and garage. It is located near hospital, commercial, busy street, apartment and won't affect the market value. Subject property and location are comparable to chosen compares in this report. Sale 2 and listing 3 are most comparable to the subject. Their value was weighted heavily in determining the value of the subject.
