## Current Listings - Cont.

Listing Comments Why the comparable listing is superior or inferior to the subject.

- Listing 1 Smaller square footage. 1 less bedroom. Same number of living areas and bathrooms. Similar age. Smaller lot size. This comp is a price outlier primarily due to only having 2 bedrooms. Due to the subject property being one of the smaller homes in the neighborhood this is the only available active comp with a square footage equal to or smaller than the subject property.
- Listing 2 Larger square footage. Same number of bedrooms and bathrooms. 1 additional living area. Similar age. Similar lot size.
- **Listing 3** Larger square footage. Same number of bedrooms, bathrooms and living areas. 7 years newer. Similar lot size. This property has been updated/upgraded and is considered to be in good condition. Due to a shortage of active listings in the neighborhood and the subject property being one of the smaller homes in the neighborhood there were no other available active comps in average condition.
