**Listing Comments** Why the comparable listing is superior or inferior to the subject.

**Listing 1** Most comparable to style and lack of upgrades. Pond lot. Home is being sold by AH4R and was previously a rental.

**Listing 2** Home is new construction. I had to search the entire mls area for comps and there is very little selection. This home is in an HOA community. Subway tile backsplash, quartz countertops, stainless steel appliances and walk in pantry

**Listing 3** Home need a good amount of updating and yard maintenance.

### Recent Sales - Cont.

**Reasons for Adjustments** Why the comparable sale is superior or inferior to the subject.

- Sold 1** Home sold in multiple offer situation. No seller concessions were given. Quartz counters in the kitchen, LVP throughout except bathrooms which are tile in master and vinyl in second. 10,000 adjustment is based off the pictures of the subject property from 2015. If the home has not been updated at all; I would suggest 18,000 for the Quartz counters, screened porch LVP and tile.
- Sold 2** Extended close date due to sellers not being able to move until first of the year. Engineered flooring throughout, no carpet., modern stone surround fireplace, granite counters in kitchen, screen porch. \$16,0000
- Sold 3** No seller concessions. From MLS pics appears to be upgraded LVP flooring in main living area and kitchen but lack of a garage.
