Comments Regarding Pricing Strategy		
<p>Homes are selling it's just taking much longer to do so. All said, the subject is next to the interstate and on ramp. Buyers have choices now and the difference in what they will pay for peace and quiet is more now than before. There is no more competing for homes. While this Townhome is currently on the market, it appears to be properly priced and the potential buyer will come along once the interest rate issue settles. Offering a credit toward interest rate buy down is very helpful. It could be noted that the townhome listed below \$1M is the only one currently pending.</p>
