<b>Comments Regarding Pricing Strategy</b>		
<p>Value best supported by sold comp 2 and list comp 1, being the most comparable to the subject. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. Subject appears to be currently occupied verified from the tax record. Subject and comps are Condo's .So Lot sizes are 0 .</p>		

## Clear Capital Quality Assurance Comments Addendum
