Marketing Strategy As Is Price Repaired Price Suggested List Price \$425,000 \$425,000 Sales Price \$420,000 \$420,000 30 Day Price \$410,000 - Comments Regarding Pricing Strategy -

The property is located in an area where the availability of comps are very low. To find similar comparable it was necessary to exceed the proximity criteria upto 1.4 miles and also exceeded style, year built, 3 month sold date, lot size, GLA and bed/bath criteria. The comps used in this report support the market value of the subject. The subject is located close to commercials, parks, school and busy street but this will not affect the value of the subject as the comps used in the report also have similar location factor. In delivering final valuation, most weight has been placed on CS2 and LC2 as they are most similar to subject condition and overall structure. Market values remained stable during last 12 months within subject's market area. Subject details are taken from TAX.

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported. Notes
