<b>Comments Regarding Pricing Strategy</b>		
<p>The market conditions is currently stable. Few similar comps available within 1 mile, so it was necessary extend the search for mileage and the comps chosen were the best available and closest to the GLA and Age of the subject No similar bedroom and bathroom comps available in subject neighborhood, So I have used different bedroom and bathroom count comps in this report. The necessary adjustments are made Subject recent sold history not available in MLS Due to suburban density and lack of more suitable comparables, it was necessary to exceed over 6 months from the inspection date. Subject's last known sale date is 11/1/2022 and the price is \$870,100</p>
