Comments Regarding Pricing Strategy		
<p>Search for comparable market sales and listings was focused on the home's immediate market area, providing comps that reside within direct competition to the subject. All comps offered feature an interior size that remains within 20% of the home's interior size, and offer a maturity that remains within +/-30 years of the subject in age. Comp selection was focused on providing FMV transactions, while also offering recent market sales. The subject should be valued with recent market sales, offering a consistent and accurate market value for the home. Due to limited available market data for similar properties in the subject's immediate neighborhood, it was necessary to utilize comps with a variance in GLA, lotsize, age, style, expand proximity guidelines and slightly outside the allowable price threshold. It brackets the subject well in regards to size, style and condition.</p>		

Clear Capital Quality Assurance Comments Addendum
