<b>Comments Regarding Pricing Strategy</b>		
An extensive search of the MLS was performed to provide sales/listings within 1 mile gla +/- 20% sqft similar lot size and up to 12 months in time. My search yielded: Limited comparables that matched gla, lot size, age, or condition that were considered applicable in regards to distance to subject 3 month date of sale parameter 90 DOM requirement and still be within 15% tolerance range. So I had to utilize what was available and the sales/listings selected were considered to be the best available.
