<b>Comments Regarding Pricing Strategy</b>		
<p>The subject should be sold in as-is condition. The market conditions is currently Stable. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability.</p>
