<b>Comments Regarding Pricing Strategy</b>		
Subject property should be priced near mid low range of competing listings due to oversupply of competing condos in this area and slowing of pending sales within the past 90-120 days. It is most like Sale #1 which sold for \$245,000 no concessions. It is identical in square footage, bedrooms, baths, condition, age, 2nd floor unit. It was under contract in 20 days from price adjustment. Subject property would be expected to sell near slightly above this price point with 90 days on market.
