Comments Regarding Pricing Strategy		
<p>The subject should be sold in as-is condition. The market conditions are currently stable. Due to the lack of more suitable comparisons, it was necessary to exceed within 1 mile from the subject, over 6 months from inspection date, guidelines for GLA, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway would not affect subject's marketability and both sides of the highway are similar market areas. Commercial presence for the subject would not affect the subject's condition or marketability. Sold 2 Comp was weighted the most and similar in GLA. List comparable 2 was weighted the heaviest due to value. Subject is occupied verified through tax record.</p>
