<p>The subject is one of the smallest and oldest in the area. The subject is also located on a busy street. Given these unique characters the parameters were relaxed as follows: Search radius of 2 miles to include similar neighborhoods, a six month timeframe, year built before 1970, square footage under 1100, all other filters were removed. Priority was given to be comparable with a similar condition. 53 sold comps were found and 16 active comps were found. The same market conditions exist for all properties in this report. Priority was given to the most similar closed transaction.</p>
