Comments Regarding Pricing Strategy		
Market value based on comps used in report that are most similar to subject based on bd/ba count and size. Comp #1 was more heavily determined. Due to lack of similar comps, it was necessary to use average list comps. Distressed properties are in few in our market.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes	Due to a lack of more similar comps available, these search parameters were expanded in order to provide comps from the subject's competitive market area that reflect current market conditions.
