<b>Comments Regarding Pricing Strategy</b>		
<p>"This represents an estimated sale price for this property. It is not the same as the opinion of value in an appraisal developed by a licensed appraiser under the Uniform Standards of Professional Appraisal Practice." There are no anticipated seller concessions. Placed more weight on the sold comps. Within the last 90 days the same floorplan in the neighborhood is selling as new construction between \$235,635 and \$262,717 (depending on upgrades). Typically buyer's will choose new construction over resale if there is new construction available.</p>
