Comments Regarding Pricing Strategy

The market conditions is currently Stable. Value best supported by sold comp 2 and list comp 1, being the most comparable to the subject. Due to the lack of more suitable comparisons, it was necessary to exceed over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Proximity to the highway and commercial would not affect subject's marketability and both sides of the highway and commercial are similar market areas. Subject appears to be currently occupied verified from the tax record.
