Comments Regarding Pricing Strategy		
This home appears to be fairly average for this overall area. This property appears adequately maintained and should be able to sell as is. I would add the house number onto the home or curb to identify the property easier.		

Clear Capital Quality Assurance Comments Addendum

Reviewer's Notes The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported. Possible duplicate variance due to the prior report supporting an average condition while the current report has proof of updates which supports a good condition rating.
