<p>The subject should be sold in as-is condition. The market conditions is currently Stable. Due to the lack of more suitable comparisons, it was necessary to exceed over 2 miles and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Commercial presence for the subject would not affect the subject's condition or marketability. Subject appears to be currently occupied verified from the tax record.</p>
