Comments Regarding Pricing Strategy		
<p>The subject should sell within the same range as sales 1-3 in average marketing time for the neighborhood. There were limited comps in a one-mile radius and search was expanded to three miles with age parameters removed, GLA expanded from +/- 25% and date of sale extended to 12 months. There was a wide price variance among the sales and listings yielded in the search and Listings 1-3 and Sales 1-3 were the closest and most consistent in price of all available comps.</p>
