<b>Comments Regarding Pricing Strategy</b>		
Searched subdivision and zip code for properties similar to subject in age, condition, beds, baths, and square footage. Keeping proximity heavily weighted criteria. Based value on subject in average condition as a fair market property to sell in a normal marketing period. As Is with no seller concessions. Based value on active and solds and adjusted for differences. These are currently the best comps available for subject property. The adjustments are sufficient to account for differences.		

### Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.

## Addendum: Report Purpose

### Market Approach and Market Time

The Market Approach of this report, as established by the customer, is: **Fair Market Price**. (See definition below.)

The Marketing Time as specified by the customer is **Typical**. (See definition below.)

Definitions:

Fair Market Price

A price at which the property would sell between a willing buyer and a willing seller neither being compelled by undue pressure and both having reasonable knowledge of relevant facts.

Distressed Price

A price at which the property would sell between a willing buyer and a seller acting under duress.

Marketing Time

The amount of time the property is exposed to a pool of prospective buyers before going into contract. The customer either specifies the number of days, requests a marketing time that is typical to the subject's market area and/or requests an abbreviated marketing time.

Typical for Local Market

The estimated time required to adequately expose the subject property to the market resulting in a contract of sale.
