Comments Regarding Pricing Strategy		
Search was conducted with criteria focusing on comps within 1 mile radius of the home and interior features that resemble the subject property. All comps utilized remain within 10-20% of the home's size and 20 years. Proximity was expanded as a result of a limited supply, GLA, lot size, and age was also moved beyond average to feature enough market comps. The subject should be valued among similar sales that provides a prominent market value among competing homes.		

Clear Capital Quality Assurance Comments Addendum
