Comments Regarding Pricing Strategy		
could not get similar comps within 3 months, they aren't out there, this is a very small downtown area and there are no other attached townhome units of similar size age in the area and even if I expanded distanc parameters there are no other townhome sales that are similar in sq footage, age. Had to go back past 3 months to secure the comps attached which are reasonable. Similar with list comps as well. Comparable method considered.
