| Comments Regarding Pricing Strategy | | |
| <p>The subject is Condominium Townhouse in average condition. Comparables exceed bath count. Necessary adjustments are provided for the variance. Initially sold date parameter was 90 days, due to limited comparables it was necessary to exceed 180 days sold dates criteria, choosed comparables are best comps available in the market. The subject is located near school, park, commercial areas, water body and major road. However, which will not affect the subject's market value and marketability. Comparables s1 received multiple offers and sold for higher value than the list price. In delivering the final valuation, most weight has been placed on CS2 and LC2, as they are most similar to the subject condition and overall structure. The details were taken from the tax record.</p> | | |
