Comments Regarding Pricing Strategy		
<p>Subject GLA was estimated. SFR home with 3 bed, 2.5 bath (1450 square feet). I have searched within +/- 20% GLA, +/- 10 years and 6 months. Within 1 mile and 12 months back, there were limited comparables found. Due to limited comparable it was necessary to exceed the proximity up to 3.06 miles, condition, year built, lot size, and bed/bath count. Comparables have a variance in GLA, year built, lot size, basement and bed/bath. (Adjustments were made). Due to limited comparable unable to bracket the GLA for active comparable. Subject is located closer to high way, worship, school, main road and commercial area. This however, will not have effect on value and marketability. In delivering final valuation, most weight has been placed on CS1 and LC2, as they are most similar to subject condition and overall structure. Subject attributes are from tax record attached.</p>
