Comments Regarding Pricing Strategy		
<p>The market in Clarksville is hot. The past 2 years have seen high appreciation rates. The homes in this neighborhood are still going under contract quickly and selling high so far even amid the rising interest rates. There has been a lot of movement in this neighborhood. The report speaks for itself. Listing off the most similar listing comp at \$275,000 and dropping to the most similar sold comp price at 30 days makes sense.</p>		

Clear Capital Quality Assurance Comments Addendum
