### Listing History Comments

A great opportunity to own a single level home on nearly a half acre in SW Boise! This home has amazing bones and is featured on a big lot with mature landscaping that also backs to no neighbors. This home boasts the following upgrades in the last few years: New windows, roof, exterior paint, water heater, carpet, heated flooring in renovated master bath, overhang garage door, 20x16 shed, and is wired for a hot tub! Also the furnace and AC are all newer and have been serviced recently. The room off the main kitchen was used as more of a shop & can either stay that way, or be turned back into a traditional living area. There is currently no flooring in that room & the walls will need to be fixed due to some holes from hanging tools. Pressurized irrigation is available. Located just 10 minutes from Downtown. With a little elbow grease, this property can easily be turned into the new buyer's dream home!
