<b>Comments Regarding Pricing Strategy</b>		
<p>Due to suburban density and the lack of more suitable comparisons, it was necessary to with in 2 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size and some recommended guidelines when choosing comparable properties. Proximity to the highway and commercial would not affect subject's marketability and both sides of the highway and commercial are similar market areas. The subject should be sold in as-is condition. The market conditions are currently stable. The subject should be sold in as-is condition. Value best supported by sold comp 2 and list comp 3, being the most comparable to the subject.</p>		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
