<b>Comments Regarding Pricing Strategy</b>		
<p>The subject is an SFR townhome in average condition. Based on the exterior observation the subject appears to be in average condition and has no negative features. As long as the subject is priced within the market value of the most recent similar comps within the subject property's area there should not be a problem with resale. Within 1 mile, 20% GLA +/-, Year built 20 +/-, there were limited comparable available in the subject neighborhood. Therefore it was necessary to exceed the closed date, lot size. The comparable selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS2 and LC2 as they are most similar to subject condition and overall structure. Subject is located near residential, commercial, place of worship, major roadways and it won't affect the market value. The details were taken as per the tax record. Address is faded on mailbox. Verification made visually and via tax</p>
