Comments Regarding Pricing Strategy		
<p>The market conditions is currently Stable. Value best supported by sold comp 3 and list comp 2, being the most comp rable to the subject. Due to suburban density and the lack of more suitable comparisons, it was necessary to exceed over 1 mile from the subject, over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. Proximity to the highway and commercial would not affect subject's marketability and both sides of the highway and commercial are similar market areas. Subject appears to be currently occupied verified from the tax record.</p>		

Clear Capital Quality Assurance Comments Addendum
