<b>Comments Regarding Pricing Strategy</b>		
<p>Subject value concluded in line with sold comps. Priority is given to proximity, similarities in condition, GLA and overall appeal. Comps on the same street/block as subject are given first consideration. Search expanded to 6 months in order to provide more similar comps. There were not enough comps available within the defined distance guidelines that accurately bracketed the subject and it's market value. For this reason, had to expand distance, to find comps that were the most appropriate for this valuation.</p>		

## Clear Capital Quality Assurance Comments Addendum

**Reviewer's Notes** The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect the subject's defining characteristics. Thus, the as-is conclusion appears to be adequately supported.
