<b>Comments Regarding Pricing Strategy</b>		
<p>As per public record, Subject is sold for \$110000 on 08/18/2022 . But no MLS was available for the transaction. In order to bracket the subject's sold price range, there is no similar price range comps available. so closer price range comps were taken. The subject is average condition and no repairs noted. As long as the subject is priced within the market value of the most recent similar comps within the subject property's area there should not be a problem with resale. Within 1 mile, 20% GLA +/-, Year built 20 +/-, there were limited comparable available in the subject neighborhood. Therefore it was necessary to exceed closed date, condition, lot size and proximity exceeded up to 0.38 miles. In delivering the final valuation, most weight has been placed on CS2 and LC1 as they are most similar to the subject condition and overall structure. The subject property is located near to residential area, water bodies, main roads and other commercial. This however, will not have effect on value and marketability. The details were taken as per the tax record.</p>
