<b>Comments Regarding Pricing Strategy</b>		
<p>The subject is a LOw-rise condo built in 1987 contains 2 beds and 2 baths, subject details taken from Tax. Subject in an average condition. Comparable condition verified from MLS comment and picture. The subject is located next to water bodies, cnter, commercial area, amenities and other facilities. Due to lack of comparables within subject same side it was necessary to cross major boundaries such as major roads, river, which won't affect its market value. To stay within the proximity condition,bedroom count and sold date 3-6 months were exceeded. In delivering final valuation, most weight has been placed on CS2 and CL2 as they are most similar to subject condition and overall structure. The choice of comparable has been made in terms of Gla to the subject and appears to be the best available at this moment. Subject Owner Name is Wilson Michael V as per tax record obtained during research and is different from the Borrower Name Catamount Properties 2018 LLC in portal. The tax record uploaded is of subject property and verified during inspection/External sources.</p>
