Comments Regarding Pricing Strategy		
<p>Due to the lack of more suitable comparisons, it was necessary to exceed over 2 miles and over 6 months from inspection date, guidelines for gla, lot size, age and some recommended guidelines when choosing comparable properties. All the necessary adjustments are made. Proximity to the highway and commercial would not affect subject's marketability and both sides of the highway and commercial are similar market areas. Subject appears to be currently occupied verified from the tax record. The subject should be sold in as-is condition. Value best supported by sold comp 3 and list comp1, being the most comparable to the subject.</p>		

Clear Capital Quality Assurance Comments Addendum

Reviewer's The broker's as-is conclusion reflects the market for the subject. Comps are within a reasonable distance, relatively current, and accurately reflect
