<p>Subject details taken from Tax. This 3727 square foot single family home has 3 bedrooms and 2.5 bathrooms. The subject is assumed to be in average marketable condition. In order to take more proximate comparable to the subject it was necessary to exceed bath count. Garage count was verified by MLS comments and pics. The subject is a single-family home located near park, schools, healthcare center and commercial establishments, but has no impact on the location and pricing. In delivering final valuation, most weight has been placed on CS1 (similar in Age) and CL3 (similar in GLA) as they are most similar to subject condition, gla and overall structure.</p>
