Comments Regarding Pricing Strategy		
<p>This is a Broker's Price Opinion and was prepared by a licensed Real Estate Agent. It is not an Appraisal. This opinion cannot be used for the purpose of obtaining financing. Notwithstanding any preprinted language to the contrary, this is not an Appraisal of the market value of the property. If an Appraisal is desired, the services of a licensed or certified Appraiser must be obtained. This document is not an appraisal as defined by USPAP (Uniform Standards of Professional Appraisal Practice). It is not to be construed as an appraisal and may not be used as such for any purpose. Within 1 mile, 30% GLA +/-, Year built 20 +/-, there were limited comparables available in the subject neighborhood. Therefore it was necessary to exceed the GLA, lot size, bed/bath. The comparables selected were considered to be the best available. In delivering final valuation, most weight has been placed on CS3 and LC2 as they are most similar to subject condition and overall structure. Market values remained stable during the last 12 months within the subject's market area.</p>
