Comments Regarding Pricing Strategy		
<p>The subject is a SFR 2 story, containing 1878 sqft, 3bed/2bath, which was built in 1976. The exterior inspection revealed that the subject has been adequately maintained and considered to be on average marketable condition. To locate comparables, it was necessary to exceed condition and proximity. The comparable with a difference in characteristics have been compensated by adjustment. In delivering final valuation, most weight has been placed on CS2 and CL2 as they are most similar to subject condition and overall structure. Subject details are taken from tax. Subject and comparable garage count was taken from MLS/pics uploaded.</p>
